

St. Julian's Primary School

School Development Points

Objective 1: **READING**

We want everyone to become even better readers, so you can read words accurately, read more tricky books, understand what you read and enjoy reading for fun.

St. Julian's Primary School

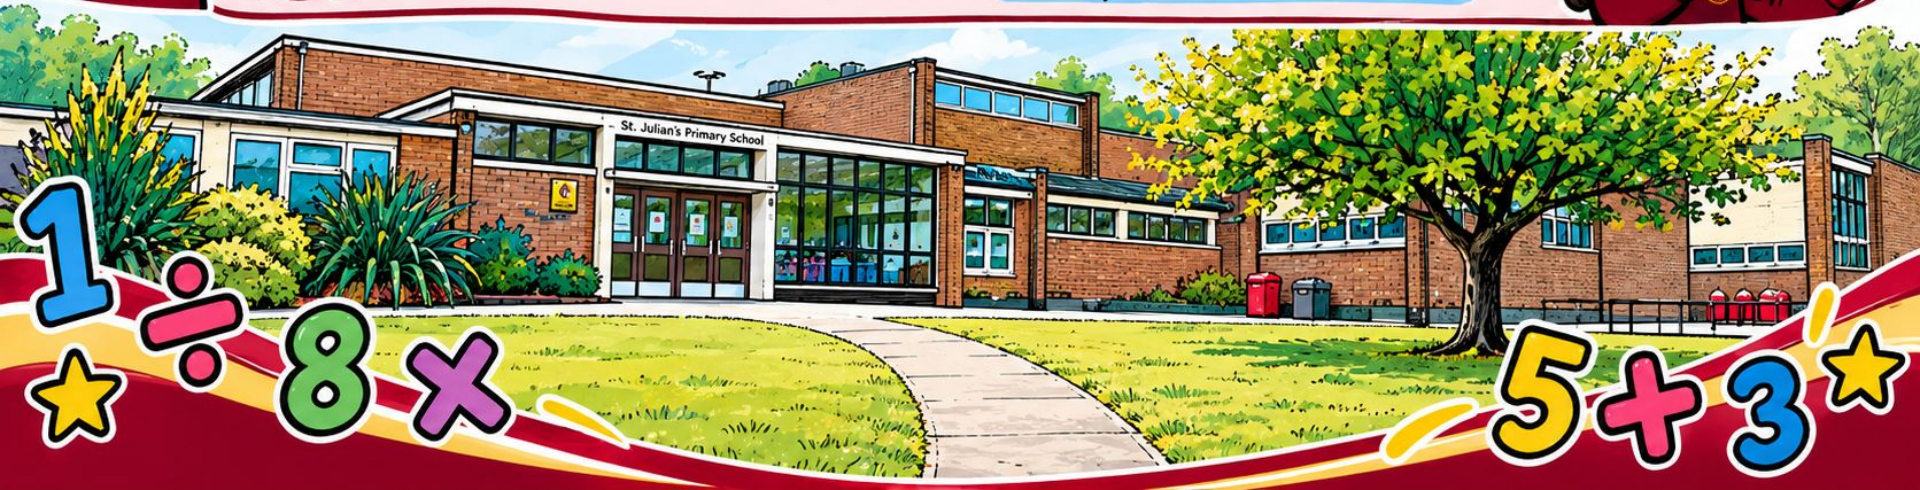

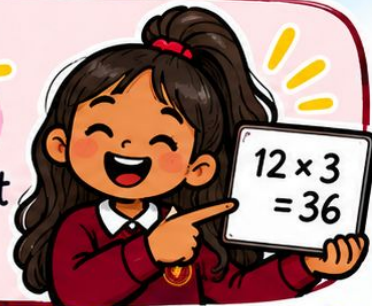

School Development Points

Objective 2:

MATHEMATICS

We want to get **even better** at maths so we can **remember number facts quickly**, **feel confident**, use what we know in different subjects and **solve problems in real life**.

St. Julian's Primary School

School Development Points

Objective 3: THE ENQUIRY APPROACH

We want to use the enquiry approach so we can be curious, ask big questions, find out for ourselves, explore our ideas and make real connections in our learning.

Cymru
am byth!

Objective 4: WELSH

We want to use Welsh more
in our lessons and around school
so we can feel confident, enjoy
using it and be proud of
our language and culture.
